

# CONFIDENTIALITY

Muaisa Hale Pule is committed to privacy and to safeguarding all information provided to us by guests.

## Q. WHY DO WE ASK YOU TO SIGN A WAIVER?

**A.** As a church without walls, Muaisa is authorized to conduct its affairs in the State of Hawaii. Our address, however, is literally “The Great Outdoors.” We meet from home to home and in the pristine majesty of Hawaii’s scenic outdoors.

Because we do not have a church building we are unable to acquire liability insurance as a church, and our homeowners insurance doesn’t cover church activities; so we ask people to be 100% responsible for themselves and their experience while they are engaged with us in any retreat, program and/or other activity. The waiver is simply to assure that everyone is aboard on that fact.

THEY broke  
bread IN THEIR  
homes & ate  
together  
WITH glad &  
sincere hearts  
ACTS 2:46

## Q. WHAT’S THE IN-THE-MOMENT “SELFIE” FOR?

**A.** Shaman was born with auric vision and has discovered over the years that he can see auras not only in person and in hardcopy photos,, but also via colored, digital photos.

We ask you to submit an in-the-moment “selfie” with your application; so that Shaman can better assess the energies of the people we invite to join us for any particular event, session, program or ceremony.

## Q. AND THE SCAN OF A PHOTO ID? WHY’S THAT NECESSARY?

**A.** That’s simply to make sure that everyone who applies to join us is giving us their legal name, and we know who everyone is.

## Q. WHY DO WE ASK FOR YOUR INSURANCE INFO WHEN THIS IS NOT AN INSURANCE-COVERED EVENT? ARE WE SOMEHOW IN CAHOOTS WITH THE INSURANCE INDUSTRY?

**A.** LOL. No, we’re not in league with “Big Brother,” and we’re not going to share your information with anyone. We simply want to make sure that everybody who interacts with us understands they are 100% responsible for their own wellbeing and any injuries or losses they may incur. No one has ever suffered even a papercut while they have been with us, but “never say never.” We want to make certain that, if you trip over your own two feet or hurt yourself getting out of your rental car or whatever, everyone who comes here has coverage and understands that they are responsible for their own health or injury care.
